You see yourself living the
Canadian experience.

We see an ambulance ride to
the hospital.

Stays in Canada are meant to be enjoyed.

But if an unexpected medical emergency should happen, know that you're protected with Inpatriates to Canada travel insurance.

Why buy Inpatriates to Canada travel insurance?

While living in Canada, government health care plans might not be available to you right away or at all. We know that health care costs in Canada can be expensive if you're not covered under a Canadian government health insurance plan. Travel insurance from the experts at TIC helps you stay protected during a medical emergency. Be sure to carry travel insurance to safeguard your finances and enjoy a worry-free trip.
